

## **TERMS OF REFERENCE FOR THE BOARD OF DIRECTORS**

### **I. INTRODUCTION**

The Board of Directors (“Board”) of Enbridge Inc. (the “Corporation”) oversees the management of, and provides stewardship over, the Corporation’s affairs. The Board’s primary goal is to act in the best interests of the Corporation to enhance long-term shareholder value while considering the interests of the Corporation’s shareholders and various other stakeholders. The *Canada Business Corporations Act* (“CBCA”) provides that every director and officer shall act honestly and in good faith with a view to the best interests of the corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

These Terms of Reference are intended not to limit the powers of the Board but to assist the Board in the exercise of its powers and the fulfillment of its duties. These Terms of Reference operate in conjunction with the Corporate Governance Principles and Guidelines and the respective Terms of Reference for each of the Board’s committees, the Chair of the Board and the President & Chief Executive Officer (“CEO”).

### **II. BOARD OF DIRECTORS**

The organization of the Board and its authority and procedures are subject to the CBCA and the Corporation’s articles and by-laws. The Corporation is also subject to other applicable law and stock exchange requirements.

Each Board committee shall convene at such times and places designated by its chair or whenever a meeting is requested by a committee member, the Board or an officer of the Corporation (or in the case of the Audit, Finance & Risk Committee, by the internal auditor or external auditor). A minimum of twenty-four (24) hours’ notice of each meeting shall be given to each Board committee member. A Board committee meeting shall be duly convened if at least a majority of the members are present. A quorum at a meeting shall consist of at least a majority of the members. Where the members consent, and proper notice has been given or waived, committee members may participate in a meeting of the committee by means of such telephonic, electronic or other communication facilities as permit all persons participating in the meeting to communicate adequately with each other, and a member participating in such a meeting by any such means is deemed to be present at that meeting. In the absence of the chair of the committee, the committee members may choose one (1) of the members to be the chair of the meeting. Where appropriate, members of the committee may meet separately with the Corporation’s senior management. Minutes shall be kept of all meetings of the Board’s committees.

Directors are expected to adequately prepare for, attend and participate at Board and Board committee meetings of which they are a member, become familiar with deliberations and decisions after any missed meetings and attend the annual meeting of shareholders. Directors should at all times discharge their responsibilities with the highest standards of ethical conduct and in conformity with applicable laws and regulations and the Corporation’s values of integrity, safety and respect. The Board has implemented a comprehensive Statement on Business Conduct applicable to all employees, contractors and Directors of the Corporation.

The Board operates by delegating certain of its authorities to management and by reserving certain powers to the Board and its committees.
