To access the ***French or Spanish versions***, users will need to set French or Spanish as their language preference on their personal profile page.

- French Course Code(s) (separate courses): **202552402** (*Safety*) & **209644718** (*Environment*)
- Spanish Course Code: **209815654** (*Safety only*)

For Existing Users:

You can make any changes of address, email, or password by clicking on “Profile”.

Existing users should use their unique login information and proceed to Online Training Center where they will find their course.

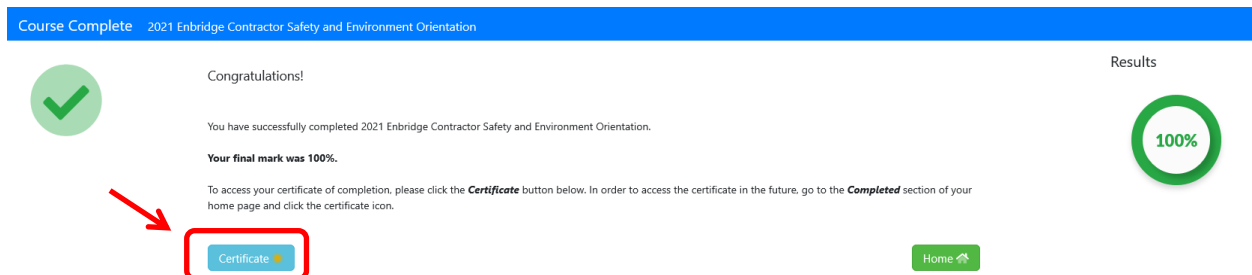

Click **Start** to launch the course.

Note that for 2021, the English General Safety Orientation and the Environment Orientation have been bundled into a single course with two chapters. Both must be completed to receive a certificate of completion (click the >> button at the bottom of the screen after the Safety Orientation to go on to the Environment Orientation):

Once you complete both modules, you will get a results page that has a button to download a certificate of completion (which you can then print as evidence of completion):

2021 Contractor Safety and Environment Orientation Access Instructions

You can also print at any time by clicking the certificate star on the course under “Completed” in your Home dashboard. Certain facilities and operations may provide you with a 2021 Annual Contractor hardhat sticker in exchange for this certificate of completion.

The screenshot shows a dashboard with a table of completed courses. The first row is highlighted. To the right of the table is a 'Certificate' button with a star icon. Below the table is a preview of a certificate with the following text:

ENBRIDGE
Training Certificate
This certifies that
Your Name
has successfully completed:
Enbridge's 2021 Contractor Safety and Environment Orientation
Completion: **23 Nov 2020** Expiry: **December 31, 2021**

Print to receive
hard hat sticker (in
some areas only)
