

# Line 3 Replacement Project

The largest project in Enbridge history, this \$2.9-billion undertaking will maintain our high safety standard, reduce future maintenance activities, and ensure the reliable supply of North American crude oil to U.S. refineries, helping fuel the quality of life for millions of people.

DURING ITS LIFESPAN, THE LINE 3 REPLACEMENT PROJECT WILL CREATE ...

## U.S. Impact

**\$2 billion**

total economic impact for Minnesota, including:

- **\$334 million** in worker payroll (50% to local workers)
- **\$162 million** construction-related gain for local economies

**\$2.9 billion**

**infrastructure investment**

**8,600**

jobs for Minnesota, including:

- **4,200** construction (half local)
- **2,800** hospitality (local)
